

Balloon Tap Volleyball

Balloon Tap Volleyball is one of the **unanimously favorite games** of our friends!

It is fun when played with a friend but also fun when playing alone.

Set a personal record for consecutive taps!

Here are some variations provided by the kiddos:

- Standing on 1 foot for consecutive taps
- Tapping balloon with the top of the foot—hacky sack style
- Tapping balloon on top of the head, either standing or on all fours, crawling to make next tap
- Double-tap
- Tapping balloon using your elbows
